piece of paradise which cannot help but inspire. Whether your dream features just the two of you silhouetted on a private jetty under shimmering moonlight or a celebration in front of all those you love on a white sand

beach - the possibilities for your Caribbean wedding are endless. Hosting your wedding at Carlisle Bay Resort will exceed anything you ever dreamed of and will seal your love for each other for all eternity.

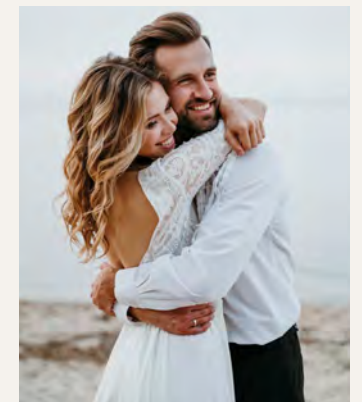

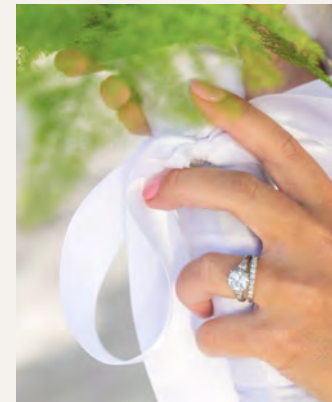

YOUR PERFECT DAY

A Caribbean beach wedding at Carlisle Bay Resort is the ultimate dream come true, combining an exclusive location, exceptional facilities and the perfect climate. We will create

your bespoke wedding celebration for you, one which is a perfect expression of your love for each other. We will work with you getting to know your personalities and the vision you have

for your day. Personalised by our experienced wedding coordinators your Caribbean wedding experience will make you realise that sometimes you really can have all you wish for.

CIVIL CEREMONIES

As an approved venue for civil ceremonies Carlisle Bay Resort would be delighted to host your entire wedding celebration. We can organise a celebrant for your ceremony and will assist you with the legal

paperwork particular to Antigua. Choosing the setting for your wedding ceremony will be the most difficult part. Will it be our perfect white sand beach or in the shelter of the palms in Coconut Grove?

We can also arrange the most exquisite wedding décor to suit the very personal theme of your wedding ceremony, including floral arches, wedding chairs and lanterns.

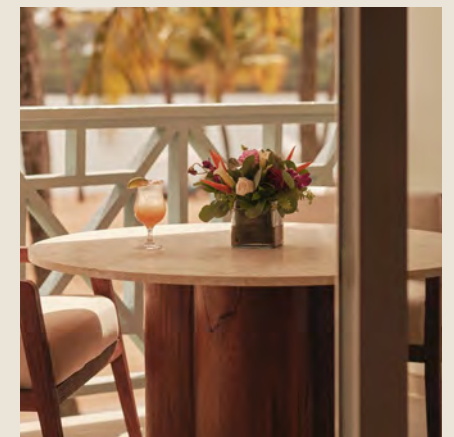

THE BAY SUITE

Carlisle Bay Resort boasts 87 beautifully-appointed suites to suit all configurations of your guests. Of course you can have the option to book the entire resort for your wedding or for just the two of you, simply enjoy

the luxury and privacy of one of these magnificent rooms. Our suites boast ocean views and have balconies or terraces to enjoy our wonderful Caribbean island setting. Colours are clean and restful while furnishings

are discreetly luxurious throughout. Space has not been spared in our suites while every modern convenience has been tastefully blended with a flavour of traditional Caribbean architecture.

THE OCEAN SUITE

The Ocean Suites at Carlisle Bay offer sweeping, uninterrupted views of the Caribbean Sea through expansive floor-to-ceiling windows. Bathed in natural light and styled with understated elegance, these suites are designed for peaceful escapes and meaningful

reconnections, only steps away from pristine white sand and tranquil sea. The Ocean Suites will reveal a refreshed design—modern-day sanctuaries inspired by the rhythm and textures of the coast. Warm limestone flooring evokes the feeling of sand underfoot, while

pebble stone mosaics subtly echo the shoreline. Rich mahogany accents bring depth and island character, complemented by carefully selected décor pieces that enhance the suite's serene charm.

THE GARDEN SUITE

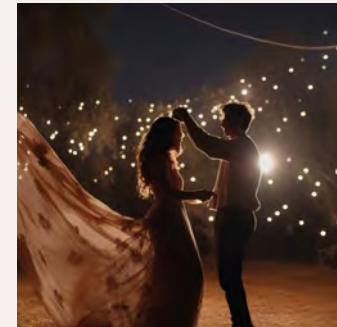

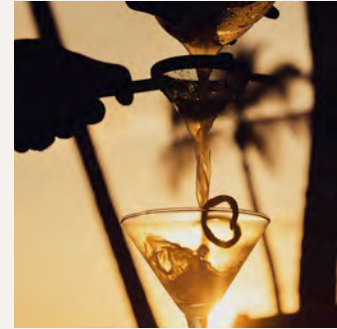

Opening onto lush tropical foliage, the Garden Suites at Carlisle Bay offer a uniquely immersive island experience. The delicate fragrance of the gardens mingles with the soft ocean breeze, creating a sensory retreat that soothes both body and mind.

Embracing seamless indoor-outdoor living, each suite features calming garden views and an elegant palette of earthy tones, natural stone, and richly textured timber. Hand-selected character pieces lend charm

and individuality to the spacious 72-square-metre (770-square-foot) split-level, open-plan layout—crafted for effortless comfort and relaxed luxury. With the option to interconnect with other Garden Suites if required.

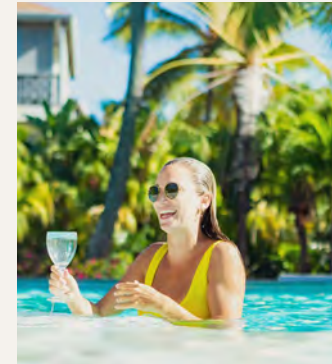

PRE & POST WEDDING FUNCTION

A wedding in Carlisle Bay Resort is so much more than just a day. With friends and family around you, take the time to be together and create memories for years to come. We offer pre and post wedding dinners

in any of our restaurants and of course our talented chefs can create for you the best Antiguan food for a true Caribbean celebration. If a magical ambience is what you are looking for then why not

let us arrange a beach barbeque with a bonfire to light up the night sky and an authentic Antiguan steel band to accompany you into the small hours.

LAIDBACK LUXURY

If it is just the two of you then this will be the start of a honeymoon you will never forget. If yours is a celebration filled with friends and family then you will find activities and facilities to entertain, thrill and delight your

guests. Watersports include everything from snorkelling in the shallows to chartering our luxury cruising yacht for the day. Known for our excellent tennis facilities we have 5 tennis courts as well as a yoga and Pilates pavilion

and full fitness facilities for the more active amongst you. To unwind you can choose to visit Cara Spa or how about afternoon tea with a good book? The only limit to our facilities is your time!
